Sub: Execution of RLNG purchase agreement on long term basis with Shell Energy India Private Limited (“Shell”)

Dear Sir/Madam,

We are pleased to inform that IRM Energy Limited has successfully executed a long-term Regasified Liquefied Natural Gas (“**RLNG**”) purchase agreement (“**Agreement**”) with Shell Energy India Private Limited for a period of five (5) years (“**Agreement Period**”). Under the Agreement, the total quantity to be purchased will be 1,23,21,200 MMBtu equivalent to approximately 326.84 mmscm @ 9500 k/cal Gross Calorific Value (GCV) during the Agreement Period.

This Agreement will enable IRM Energy Limited to secure a stable and affordable gas supply for its Industrial and Commercial (I&C) customers, thereby strengthening our commitment to ensuring reliability and efficiency in gas business. The Agreement is expected to further enhance sourcing portfolio of the Company strategically and thereby creating long-term value to our stakeholders.

Attached herewith press release note for your reference and records.

Thanking you,

Yours sincerely,

For, IRM Energy Limited

IRM Energy Limited (“IRMEL/IRM Energy”) Secures 5-Year RLNG Supply Contract with Shell Energy India Private Limited (“Shell”), Strengthening Energy Security and Sustainability

Ahmedabad, March 26, 2025 – IRM Energy is proud to announce the successful signing of a long-term (5-year) contract (“Agreement”) with Shell for the supply of Regasified Liquefied Natural Gas (RLNG). The total quantity to be purchased under the Agreement will be 1,23,21,200 MMBtu equivalent to approximate 326.84 mmscm @ 9500 k/cal Gross Calorific Value (GCV). This Agreement marks a significant milestone in IRM Energy’s strategic growth, ensuring stable and cost-effective energy supplies for its customers.

The Agreement was formally signed in the presence of Shri. Badri Mahapatra- Director of IRM Energy, underscoring the company’s commitment to securing reliable energy sources for Industrial and Commercial customers. This partnership with Shell, a global leader in LNG supply, is expected to strengthen IRM Energy’s ability to provide cleaner and more affordable fuel solutions, contributing to India’s energy security and sustainability goals.

Enhancing Industrial and Commercial Sector Growth

The Agreement is set to play a pivotal role in ensuring consistent RLNG availability, supporting the Industrial and Commercial segment. By leveraging Shell’s global expertise in LNG, IRM Energy aims to enhance its service capabilities, helping businesses transition towards greener energy alternatives and reducing their carbon footprint.

“This agreement is a testament to our commitment to providing sustainable and affordable energy solutions to our valued customers. With this partnership, we are confident in ensuring stable gas supplies that will support economic development and clean energy adoption,” said Mr. Manoj Kumar Sharma, CEO - IRM Energy, at the signing of the contract.

A Step Forward in Energy Innovation and Sustainability

IRM Energy has been at the forefront of expanding energy accessibility through strategic alliances and innovation. This Agreement aligns with the Company’s mission to contribute to India’s clean energy transition while ensuring energy affordability for industries and consumers alike. The Company remains committed to integrating advanced energy solutions and enhancing its infrastructure to cater to the growing demand for natural gas.

About IRM Energy

IRM Energy is a leading energy solutions provider dedicated to delivering safe, sustainable, and affordable natural gas to industrial, commercial, and residential customers and Compressed Natural Gas (CNG) to transport segment. With a focus on innovation and customer satisfaction, IRM Energy is expanding its footprint across various regions, driving the transition towards a greener and more energy-efficient future.
